COMMITTEE OF THE FACULTY SENATE**

Graduate academic programs in which you are actively involved:

I have served as graduate advisor to all candidates seeking an LL.M. in U.S. Law for the past three calendar years. This period coincides with my service on the Law Center's Graduate Admissions Committee. In addition, for the past five years I have taught Lawyering Skills and Strategies, a required course, to all foreign-trained LL.M. candidates. I also write and present regularly on matters pertinent to international graduate legal studies.

Please insert any additional information you believe pertinent.

As I indicated above, I am not available to attend meetings until November 24 – I teach my last first-year courses the week before, and these are the courses that conflict with the required meeting schedules. I can arrange my schedule in the spring to accommodate committee and Faculty Senate schedules.
